

Traffic rules on regulated crossings

Part 2 / Exercise 4

Do you know the priority rules on regulated crossings in Austria?

1. You are the cyclist and want to drive straight ahead.

What does the traffic sign mean?

- Give way
- Stop
- Priority road

How do you have to behave on this crossing?

- I have to turn right.
- I have to stop and give way.
- I have priority.

2. You are the cyclist and want to drive straight ahead.

What does the traffic sign mean?

- Give way
- Stop
- Priority road

How do you have to behave on this crossing?

- I have to give way because other vehicles are crossing my way.
- I have to stop.
- I have priority because I am going straight ahead.

3. You are the cyclist and want to turn left and stay on the priority road.

What does the traffic sign mean?

- Stop
- Give way
- Priority road**

How do you have to behave on this crossing?

- I have to stop.
- I have to give way because I am leaving the priority road.
- I have priority because I turn left and therefore stay on the priority road.**
